**MAKE A DIFFERENCE IN A  
STUDENT'S LIFE TODAY**

**2011-2012 Celebrating Our 32nd  
Year Of Marching Excellence**

**You** can help continue the tradition of musical and marching excellence which began in the Fall of 1980.

Under the direction of David Hastings, The Pride of the Valley is one of the premier AAA marching bands in the State and is well known for its innovative, crowd-pleasing shows. Practice begins during the summer months to prepare for the fall show., which promises once again to be the best yet. The Pride has received Outstanding Performance award for 17 of the last 18 years. This award is the highest award in South Carolina and is achieved through excellence in all areas of music performance, marching, concert festivals, honor band auditions, and solo ensemble performances.

Many Midland Valley High School Marching Band Members go on to receive college band scholarships as well as academic scholarships, as we promote excellence in the classroom and on the marching field. You are invited to take part in this awesome experience. Sponsorship of a young musician will be a welcome contribution to our community and to our band.

***Your Support Is  
Important!***

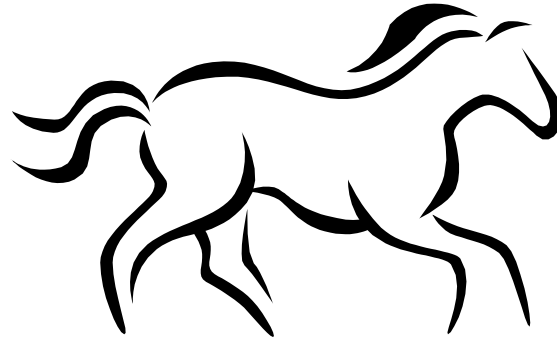

*Your support will go directly to the students participating in the 2011-2012 Midland Valley High School Marching Band. Music, Instruments, Travel and Band Supplies cost us some \$60,000 each year. **The band does not receive funding from the local or state level.** We depend solely on our club and student fundraising efforts and the generosity of **businesses and people like you.***

***Your support** is appreciated and will help to develop talented young musicians in our school.*
